Dear Amit Mavinakatti,

Congratulations! We are thrilled to inform you that you have successfully cleared all evaluation and are officially invited to join the Google Student Ambassador Program 2026 (Semester 2). You didn't just show up—you showed exceptional range and potential.

As an ambassador, you are not joining merely as a participant; you are here to build a movement. Your role goes beyond announcements—it is about embedding Gemini into the fabric of how your campus thinks, creates, and solves problems.
